Sir:

RESPONSE TO FINAL OFFICE ACTION AND ADVISORY ACTION

This Response is filed in response to the final Office Action mailed May 30, 2007 (and Advisory Action mailed November 2, 2007). Due to the late issuance of the Advisory Action, Applicant submits that only a one (1) month extension of time is necessary. The response period is presently set to expire on November 2, 2007, and if this Request for Extension of Time is granted, the new response date will be November 30, 2007.

In response to the final Office Action having a mailing date of May 30, 2007 and Advisory Action having a mailing date of November 2, 2007, Applicant is submitting the three pages from the

notebook number 1988 (identified in invention disclosure form submitted with the Declaration) that were inadvertently omitted with Applicant's Amendment and Response to Final Office Action filed in the USPTO on July 30, 2007.
